Newsletter ISSUE 3 – DECEMBER 2015

Dr Jonathan Owen

We are deeply saddened to announce the death of Dr Jonathan Owen.

Dr Owen was treated in Wythenshawe Hospital following a heart attack on 11th November. He never regained consciousness and passed away on 25th November. He had been at the Practice for many years as a Partner and in recent years as a Senior Partner. He will be greatly missed by friends, colleagues, staff and patients at Manor Medical Practice.

Our thoughts are with his family at this deeply distressing time.

Stockport Health Record

As a Stockport resident, you may receive care and treatment from a number of places such as your GP Practice, Hospital and Community Services who will all hold information about you. In order for professionals to provide you with the best possible treatment and support it is important for them to have quick access to the information they need, which may be held by someone else who has provided you with care. In the past this was often done by fax, phone or post which can be slow. To improve this we have now moved to sharing information electronically. In Stockport this is via the Stockport Health and Care Record and the Summary Care Record.

For more information or to opt out of this service please go to www.manormedical.co.uk/news.aspx?pr=P88003

Flu Success 2015!

The Practice has given out over 2400 flu vaccines since September and we have vaccinated 70% of our patients aged over 65 years. If you have not yet had a vaccination and are eligible, please ask at reception and we will slot you in. Also remember if you are pregnant it is most important for you to have the flu vaccine. Please book an appointment with our Practice nurse and she will discuss this with you.

We have had a good uptake of our 2 year old patients but we still have a number of 3 year olds still needing their vaccine. We plan to run a catch up clinic but please just speak to the receptionists if you would like to arrange for your child to have this. PS don't forget it's a nasal vaccine not an injection.

One of our patients, 100 year old Mrs Lilian Sumner, attending the flu clinic at Offerton Health Centre.

Our Christmas and New Year Opening Times 2015

Christmas Eve 24th December 2015

The Practice will close both sites at 1pm. Both sites re-open at 08:00am on Tuesday 29th December 2015.

New Years Eve 31st December 2015

The Practice will close both sites at 1pm. Both sites re-open at 08:00am on Monday 4th January 2016.

If you require urgent medical assistance that cannot wait until the surgery reopens please call 0161 426 9166

NHS Stockport Clinical Commissioning Group has compiled some helpful advice on keeping well this winter.

<http://stockportccg.org/?s=winter>

Survey Results

Our latest survey results show that 93% of respondents think the practice should continue to produce a practice leaflet as this is a good method of communicating news about our services.

73% of patients did not know that you can now order repeat prescriptions on line.

You suggested “use a noticeboard in the waiting room to advertise our services and newsletters etc”

Early in the New Year we plan to install a PPG specific noticeboard at the Hillgate site to improve our communication and provide a single go-to place for Practice specific information.
